Lets do 2 pm; I will send an invite to Kim. Dave is on vacation this week; regardless I will be lead on Aerovox 21e/TSCA matters per my discussions with him and what is on his plate.

Dave,

I'm free this afternoon after 1:30; working at home on Tuesday. I'd highly recommend Dave D. and Kim Tisa join us and that you share this document with them. Very important we are all of one mind on these points and comments.

ATTNY CLIENT PRIV

I have been working on response to the state and I want to get it out to them as fast as is possible.

I went through your comments and marked in comment field how I believe they are going to be disposed of when the draft final is ready.

In the interim, I did mark 3 pts we need to discuss before I can finish the letter.—let me know when you are free Monday or Tuesday. I will be at NB wed and Thursday.

Back in on Friday.
